ACCESSORIES

MountedShootingSupplies.com

Helmet Covers

Troxel helmet covers are the perfect solution for creating a show look, protecting helmets from everyday use, and providing protection against inclement weather. All covers have a universal fit.

Lycra

Velvet

Water Resistant

Winter Helmet Liner

Troxel's winter helmet liner keeps your head and ears warm while riding. Simply remove your existing Velcro headliner and replace it with the winter helmet liner. One size fits all.

FIT & COMFORT SYSTEMS

MountedShootingSupplies.com

Adjustable fit systems provide customers with the opportunity to pick from small, medium or large shell sizes to quickly customize fit. Advantages include: lower inventory requirements and additional helmet room to accommodate unique head shapes and various hair styles.

Self-Locking Buckle

The first self-locking buckle in the equestrian industry

- Easy one-handed operation, even with gloves!
- No pinching
- One click to close

SureFit™

The SureFit™ incorporates elastic straps that self-adjust to the size and shape of the rider's head. With ultra-plush padding the SureFit™ provides an unmatched level of comfort and stability. Available in the SureFit™ Elite with leather and flocking trim and the SureFit™ Pro.

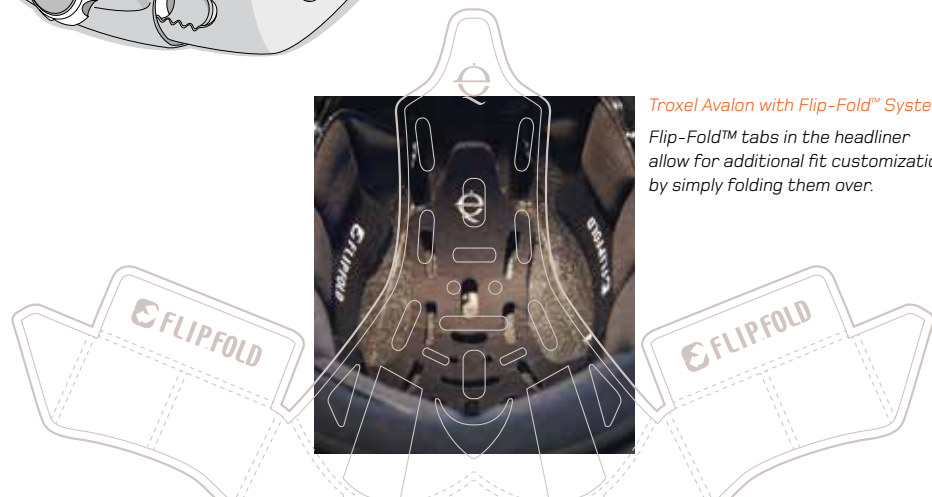

GPS II™ Dial Fit System

The soft-touch dial permits quick and precise helmet adjustment.

Flip-Fold™ System

The Flip-Fold™ System is part of the headliner. Adjustments are made by simply folding over the integrated tabs making the padding thinner or thicker to accommodate various head shapes and hairstyles.

Troxel Avalon with Flip-Fold™ System

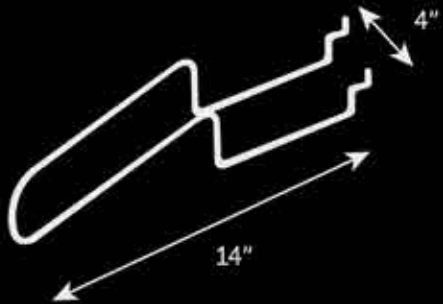

Flip-Fold™ tabs in the headliner allow for additional fit customization by simply folding them over.
